- Individuals who are striving for material wealth and status and feel like they are still unfulfilled

The audience will leave with:

- How to experience fulfillment in life and work regardless of what is going on around them
- How to help others find fulfillment in work and life

Have you ever seen someone that seems to be completely fulfilled in their life or work? They come to work with a smile on their face, a spring in their step and their work is productive and noteworthy? Or someone that is 100% content in their personal life with relationships, passions and purpose?

I believe that we can all experience fulfillment in our lives regardless of our current circumstances.

We do this through a new, fast and easy yet powerful method. It's called the Fulfillment Equation. It focuses on the three proven drivers to get human to experience fulfillment in life and work.

The equation is $P + Pa + R = F$

Purpose + Passion + Relationships = Fulfillment

Your audience will walk away with a simple method to find their purpose and implement it into their work or personal life.

They will also walk away with a powerful formula to reignite their passions in work and in life.

Your audience will also discover the secret to building lasting, positive and enriching relationships at work and in life.

They will in turn be able to that this method and use it to help others in work or their personal life do the same.
